thing that I'm surprised about is you seem to have a lot of trouble with the simple things, for example "Its was" vs "It was" vs "It was." I don't know if it is me. But it seems like you have a lot of problems with the simple things, that can't be really hard. You're definitely correct, but I have the 3rd Edition, and I find it really hard when I come up against something. We will not tell you how to think or how to do your

work. But they give you good and bad points to make sure you are doing it. If you want to write clearly, you will have to be careful about these 5 things. We hope you gain some benefits.

Unbiasedly, Yours sincerely.
